## Description

Consider this one "HOME". You will fall in love with this beautifully landscaped colonial, that has been fully updated throughout. You find a newly remodeled kitchen with a contemporary flair, from the beautiful organized and functional IKEA cabinets with easy close drawers, built in's, swing-outs and revolving shelves. Striking black sparkling granite countertops and center island, contemporary appliances, built-in blue tooth speakers in the remote controlled light fixtures! Totally remodeled high-end bathrooms, hwd floors on both upper levels, an enclosed porch that came from the centerfold of HOME & Gardens, & a fully finished lower level that will delight your guests! White tile flooring, white granite topped wet bar, recessed lighting, built in cabinets, slate stone patio, and a 1 acre fenced lot with lush flowering gardens. Put this one at the top of your tour list!
